### **MISSION**

#### **Preparedness - Response - Recovery - Professional Association**

#### **DERA is a Nonprofit Disaster Service and Professional Organization.**

***Our members work together as an active, world-wide network of disaster preparedness specialists, response and recovery teams, trainers, consultants, technical experts, researchers and project managers.***

We help disaster victims by improving planning, communications and logistics, reducing risks and mitigating hazards, conducting community preparedness programs, and by sponsoring emergency response missions.

***We sponsor a school awards program that encourages students to study the effects of disasters and to conduct projects that reduce local hazards and improve community preparedness, safety and environmental protection.***

As a prominent international professional association, our membership is composed of key leaders in the field of emergency management from around the world, including key government officials, volunteers, consultants, business managers, researchers, educators, students and wide range of charitable groups.

***Our quarterly newsletter, DisastersOrg, brings current information about developments in emergency management and reports on the activities of our global membership.***

We sponsor research projects and the publication of emergency management guides, case studies, technical assessments, and preparedness materials.

***If you share our vision of commitment and service, we would welcome you as a member.***
